

# NeuroCOM Newsletter

Come have snacks and drinks with the **NeuroCOM** committee!

Share your activity ideas · Let us know how we can better support you · Learn about our future plans  
**May 03, 2024**, 5 – 7 pm, Maple Landing  
All are welcome!

## Outreach

***Huge thanks to the 30+ volunteers who made STARS Neuroscience Day a resounding success!***

Students touring the Varadarajan lab. They performed optical illusions and extracted DNA using household items.

Sarah Jobbins, Mandy Eckhardt, Thomas Dunham, and Yoheilly Velazquez Gonzalez field questions about graduate school.

- 175+ Middle/High School Students & Teachers attended from Richardson ISD, Carrollton/Farmers Branch, Uplift, & Harmony
- Volunteers from the Neuroscience, Neurology, Neurosurgery, Physiology, & Radiology Depts. & AIRC

Students learn about the wonders of the nervous system!

***Special thanks to the Neuroscience Dept. and OBI for their support!***

In February, Sofia Bali in the Joachimiak Lab took students from Tolar ISD for a STARS tour.

## Mentoring

**Implicit Bias training - Coming this Fall!**
