Overview: This activity provides an opportunity to review and present what is relevant to primary care and up to date information that is applicable to day-to-day practice. In this discussion we will:

1. Understand the public health impact of Human Trafficking nationally and globally
2. Recognize signs of human trafficking in health care settings
3. Understand the role of the clinician in responding to human trafficking
4. Identify resources to assist persons who have experienced trafficking

UT Southwestern Family Medicine Grand Rounds provide an updated scientific knowledge foundation which will enhance diagnosis and treatment in the care of our patients.
